

PRETORIA BRIDGE CLUB (PBC)

2025 CLUB CHAMPIONSHIP RULES

1. The pairs club ladder will be used as the criteria to determine the club champion for 2025.
2. All events that have 6 or more pairs playing will be included in the ladder. The 6 pairs include non-members of the club, visitors and robots. A person with a robot partner will constitute a valid pair.
3. Results of a pair in a particular event will only count if both players are paid up members of the club at the time of the event. (2024 membership will be valid until 28 Feb 2025). A partnership with a Robot cannot therefore become Club Champion. A temporary replacement by a Robot due to bad internet connection or other reason does NOT invalidate the partnership or the score on that particular hand.
4. Only paid up members (pairs) of the Pta Duplicate Bridge Club are eligible for the title given that they joined the club before 1 July 2025.
5. Only pairs that have played at least 40% of the events (rounded down) included in the ladder will be eligible for the title.
6. The winner will be the pair with the highest average score (calculated on total match points) on the ladder on 27 November 2025 (Last possible event included is therefore 27 Nov 2025.) All valid events played by any pair will be included with the first event being on 6 January 2025.
7. A cash prize determined by the committee will be awarded to the winners and the runners up. The winner's names will be included on the honours boards.
